

A Wealth of Experience

As a premier Third-Party Administrator, Amwins Connect Administrators has been offering benefit solutions nationwide since 1980. We specialize in integrated employee benefits, self-funded cost-containment strategies, and outsourced broker and consultant services.

Amwins Connect Administrators is an Amwins Group Company - the largest independent wholesale insurance distributor in the U.S.

Contact us today to discover how a customized solution can take your business to the next level.

BENEFIT SERVICES, PRODUCTS, AND STRATEGIES

We help brokers and consultants:

- Earn more revenue & expand their business
- Improve client retention
- Protect their book of business from competing agents
- Save on the overhead costs of setting up and supporting group benefits

LET US DO THE WORK

When you partner with Amwins Connect Administrators, you get our full support in selling and servicing employee group benefits. We assume broker and consultant responsibilities on your behalf.

Amwins Connect Administrators will take on as much or as little total case management that you need. With our scalable growth model, compensation is split among Amwins Connect Administrators, Amwins, and our partner firms.

WHAT WE DO

Our integrated platform eliminates headaches that come with service, quoting, and implementation. We handle seamless delivery from carrier to client.
