An Amwins Company

= **Green**
Advantages!

Here at CoPower, we're focused on leveraging technology as means of improving efficiencies, ensuring easier processing, and reducing our paper consumption. In alignment with this effort, we're excited to share that our plans are available for quoting in Benefix with 10/1 effective!

To celebrate, we're launching a pilot program that we are extending to you first. We are waiving admin fees for all new groups that **go paperless!**
