& More

¹ Access to telehealth services does not guarantee that a prescription will be written.

² Provider participation in your health plan network and referral by a primary care physician may apply. See your health coverage document for information regarding your health coverage.

³ Behavioral health services are available weekdays 7 AM - 7 PM.

Get started with
the **Babylon app**

Available for iPhone & Android

Get started with **babylon**

iPhone

Android

01 Download the app

Search for **Babylon** in the Apple App Store or on Google Play.

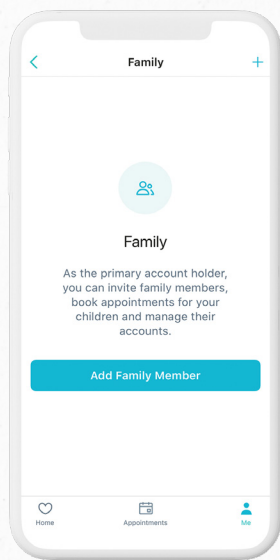

or

Scan one of the QR codes to the left.

02 Register yourself

When Babylon asks if you have a code, enter: **HNCOM**

03 Add a child under 18

Tap the **Me** tab and select **Family**

Please Note: If you are a parent or guardian setting up an account for a child under 18, register first and add the child to your account. You do not have to be covered by Health Net to register.
