

Health Net’s Wellness and Value-Added Programs

SUPPORT FOR THE WAY YOU LIVE

Health Net is focused on giving members the tools needed to help live a healthier, more productive life. Our valuable programs help empower members to make healthy lifestyle.

Care Access	
Babylon	Access to video appointments 24/7 with Babylon. Doctor appointments are available 24/7 and therapist appointments are available weekdays 7:00 a.m. to 7:00 p.m. (Pacific time) through the Babylon app at no additional cost. The Babylon app (available in English and Spanish) is a convenient way for Health Net members to discuss non-emergency health issues like cough and sore throat, anxiety, and depression, cold and flu and more! During the video visit, members can get answers about urgent prescription refills ¹ and labs and x-rays ² . Members can check and monitor symptoms through the Babylon app ³ .
Behavioral Health	Behavioral health benefits, administered by MHN Services, provide for treatment of mental health and substance use disorders. Out-of-state behavioral health benefits are available to PPO plan members through the First Health network of providers. Learn more about behavioral health benefits (PDF) .
MinuteClinic	Taking care of your health takes time. Often, there are not enough hours in the day for all that you do. That’s where MinuteClinic can help! Learn more (PDF) .
Nurse Advice Line	Receive timely access to registered nurses for help with everyday health questions – 24/7. Members can get help with a number of health issues. These include how to care for minor injuries and illnesses, helping to spot health emergencies and help answering questions about medications.
Wellness and Value-Added Programs	
Craving to Quit® program	The innovative 21-day smoking and vaping cessation program covers most types of tobacco, lets members talk with a quit coach for encouragement and support and offers a personalized plan to quit. Learn more about the Craving to Quit program (PDF) .
Eat Right Now Program	An evidence-based program that combines neuroscience and mindfulness tools to help members identify eating triggers and ride out cravings to change their eating patterns for good. With help from videos and exercises, members will learn to listen to their body’s hunger signals so they can differentiate between real hunger and emotional cravings. This progressive 28- day program lets members reshape how they eat in about 10 minutes a day. Learn more about Eat Right Now Program (PDF) .
Health Coaching program	Health Coaching Program (telephonic): With one-on-one support, members and a Health Coach find what motivates the member and address the specific health behaviors that affect short-term health risks and long-term goals. Health Coaching Program (digital): Consists of multiple lessons related to stress, smoking cessation, exercise, weight, gaps in care and more! Learn more about the Health Coaching program (PDF) .
