\* All Sutter Health Plus plans prescription drug coverage is, on average, expected to equal or exceed the standard Medicare Part D benefit value. This is considered creditable coverage. Since this coverage is creditable, Medicare-eligible individuals do not have to enroll in a Medicare prescription drug plan while they maintain this coverage. Be aware, however, that if the individual has a subsequent break in this coverage of 63 days or longer any time after they were first eligible to enroll in a Medicare prescription drug plan, the individual could be subject to a late enrollment penalty in addition to the Medicare Part D premium.

Group, member (including any heirs or assigns) and Sutter Health Plus agree and understand that any and all disputes by and between them, including claims of medical malpractice (that is as to whether any medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered), except for claims subject to ERISA, shall be determined by submission to binding arbitration. Any such dispute will not be resolved by a lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. Each party, including any heirs or assigns, to this Agreement is giving up its constitutional right to have any such dispute decided in a court of law before a jury, and instead is accepting the use of binding arbitration.
