AMWINS™

CONNECT

Build Business Faster With Your General Agency Partner

Take Your Agency Further in Arizona

At Amwins Connect, we're committed to bringing Arizona brokers the best medical & ancillary products and services across the U.S.

Our full suite of technology, products, and services will help you stand out in today's competitive market, grow your agency faster, and retain clients well into the future. As Amwins Connect, our mission is to seamlessly connect every point of the benefits journey for our brokers with continuous innovation and extraordinary service from passionate people.

Faster Underwriting

Our connections with carrier partners, like real-time EDI, make for faster approvals! The Amwins Connect underwriting team will leverage relationships and go the extra mile to get your groups approved quickly.

Quotes - Instant, Reliable, and Accurate

Your clients expect a comprehensive benefits package that's innovative, competitive, and cost-effective for them and employees. We offer free online access to Health Insurance quoting and enrollment with Benefix.

Best-in-Class Sales & Broker Support
