## ABOUT US

Amwins Connect provides services and resources to brokers and agencies of all sizes. Our broker-first concentration has consistently helped us to deliver a competitive advantage and accelerated business growth strategies for thousands of insurance brokers nationwide. We deliver comprehensive support for your small and large group insurance sales and group servicing through insider industry knowledge, business expertise, and guidance you can trust.

\*These are proprietary products offered by Amwins Connect. They offer swift and accurate underwriting, case issue, administration and billing—all performed on site at Amwins Connect.
