Open every day, including evenings

No appointment necessary

To schedule a visit,†† go to MinuteClinic.com or the CVS Pharmacy<sup>®</sup> app

**To find your nearest clinic, visit MinuteClinic.com**

\* Patients must be 18 years and older. Services and age restrictions vary by state. See MinuteClinic.com for details.

\*\*Additional lab fees and tests may be required. We recommend that you contact the phone number on the back of your prescription ID card prior to visiting MinuteClinic to verify coverage of the specific service you are seeking, as well as any co-pays, co-insurance or deductibles. Confirming this information in advance will help you avoid unforeseen charges. Select services, such as sports and camp physicals, are not covered under your benefit plan and therefore require full payment. MinuteClinic services may vary by state.

†Flu shots available when MinuteClinic health care provider is on duty, while supplies last. Age restrictions apply.

††Available for select services only. Restrictions apply. Visit MinuteClinic.com for details.
