# Understanding Your Benefits

- $2,000 per individual plan; $4,000 per family plan in network
- Not covered per individual plan; Not covered per family plan out of network
- **Hybrid deductible**: All deductible payments count toward the family deductible amount, but the individual will never pay more than their individual deductible amount.

### *Out-of-pocket Limits*

The following is the maximum amount you would pay out-of-pocket for covered healthcare services each year, including deductible, copays, and coinsurance.

- $6,000 per individual plan; $12,000 per family plan in network
- Not covered per individual plan; Not covered per family plan out of network
- **Hybrid out-of-pocket**: All out-of-pocket payments count toward the family out-of-pocket limit. The individual will never pay more than their individual out-of-pocket amount.

The deductible and out-of-pocket limits are separate for in-network and out-of-network services.
