Health Net®

You Have Our Word, Backed by \$5,000!

Health Net of California, Inc. and Health Net Life Insurance Company (Health Net) are delivering on our promise of value-added performance solutions designed for your business. As a new Health Net employer group, you get more than a promise – you get a \$5,000 guarantee!

The Health Net guarantee

Our exclusive **ID Card Express** is the perfect way to ensure your employees have access to their health care benefits right away. Here's everything you need to know about who's eligible for this guarantee and how it works.

Group eligibility:¹

- New California groups only;
- With 101 to 500 employees; and
- That select plans from our Health Net Enhanced Choice or Starting Line-Up (SLU) portfolios.

Here's how it works:

1. Once your application and enrollment package is approved by our Underwriting Department, you'll receive a letter from your Health Net sales consultant welcoming you to Health Net and letting you know you qualify for the **ID Card Express**.
2. We'll then *guarantee* that Health Net ID cards will be mailed to your employees **within 10 business days** from the date of the letter. It couldn't be easier!
3. And if we don't live up to our promise, **we'll pay you \$5,000!** That's right.

No other California health care company makes this offer.

Keeping you informed

Your broker or Health Net sales consultant will work closely with you to keep you informed about your eligibility and if your employees' enrollment materials meet the qualification requirements for this guarantee. If there are any issues with the materials, or if your eligibility changes during the process, you'll be advised right away.

Guarantee tips

There are a few things you can do (and probably do already) that will help you meet the guarantee criteria. The following information outlines tips for submitting your group enrollment via paper enrollment forms or electronic spreadsheet. Your broker or Health Net sales consultant will provide you with the required enrollment spreadsheet, called the Census Robotech Member Enrollment Template or Generic 349 Layouts Medical Dental Vision Life. (Depending on your enrollment type, you will need to fill out one of these spreadsheets.)

ID cards mailed in
10 days or we pay you!

¹Health Net's ID Card Express guarantee applies only to new group paper enrollment form and approved electronic spreadsheet enrollment types. The approved spreadsheets are Health Net's Census Robotech Member Enrollment Template for medical plan enrollments, or the Generic 349 Layouts Medical Dental Vision Life for medical and ancillary plan enrollments. The approved spreadsheets are provided by your broker or Health Net sales consultant. The guarantee does not apply to any other type of enrollment, for example, tape groups, custom ID cards/mailings, renewing groups, dental, vision, or Medicare COB.

- Provide **all** of your employee enrollment forms or the required spreadsheet to **Health Net as soon as possible** so they can be processed with the **initial submission**.
- Late or incomplete spreadsheets or enrollment forms may cause disqualification of the guarantee.
- Review your spreadsheet or each and every enrollment form.

- Your spreadsheet or enrollment forms must be filled out **completely and accurately with no more than 30 percent discrepancies** to qualify for the guarantee. Inaccurate or incomplete spreadsheets or enrollment forms will delay ID cards and will not be included in this guarantee.

IF YOU ARE DECLINING COVERAGE – STOP AND READ CAREFULLY
 I have decided to decline coverage for myself and/or my dependent(s). I acknowledge that my dependents and I may have to wait to be enrolled until the next annual Open Enrollment Period or Special Enrollment Period due to a qualifying event. The available coverages have been explained to me by my employer and I have been given the chance to apply for the available coverages. Additionally, by signing below, I certify that the reason I am declining coverage is accurate as indicated by the check marks above.

Employee signature: _____ Date: _____
 (Sign only if declining coverage. If signed in error, please cross out and initial.)

8. Acceptance of coverage (Signature required)
 California law prohibits an HIV test from being required or used by health insurance companies as a condition of obtaining health insurance coverage.
ACKNOWLEDGMENT AND AGREEMENT: I understand and agree that by enrolling with or accepting services from Health Net, DHP and/or Fidelity, I and any enrolled dependents are obligated to understand and abide by the terms, conditions and provisions of the Plan Contract or Insurance Policy. I have read and understand the terms of this application, and my signature below indicates that the information entered in this application is complete, true and correct to the best of my information and belief, and I accept these terms.

BINDING ARBITRATION AGREEMENT: I, the Applicant, understand and agree that any and all disputes between me (including any of my enrolled family members or heirs or personal representatives) and Health Net must be submitted to final and binding arbitration instead of a jury or court trial. This Agreement to arbitrate includes any disputes arising from or relating to the Evidence of Coverage or Certificate of Insurance or my Health Net membership or coverage, stated under any legal theory. This agreement to arbitrate any disputes applies even if other parties, such as health care providers or their agents or employees, are involved in the dispute. I understand that, by agreeing to submit all disputes to final and binding arbitration, all parties including Health Net are giving up their constitutional right to have their dispute decided in a court of law by a jury. I also understand that disputes that I may have with Health Net involving claims for medical malpractice (that is, whether any medical services rendered were unnecessary or unauthorized or were improperly, negligently or incompetently rendered) are also subject to final and binding arbitration. I understand that a more detailed arbitration provision is included in the Evidence of Coverage or Certificate of Insurance. Mandatory Arbitration may not apply to certain disputes if the Employer's plan is subject to ERISA, 29 U.S.C. §§ 1001-1461. My signature below indicates that I understand and agree with the terms of this Binding Arbitration Agreement and agree to submit any disputes to binding arbitration instead of a court of law.
